SUBJECT:

Replanning for CAMS

Program

25X1

1. Congress has directed that IOC for [redacted] be set back until the fall of 1986. This memorandum is to request the CAMS II development programs consider replanning of their own which could make support to [redacted] available NLT 1 July 1986. Finalization of the [redacted] replanning may result in a subsequent modification to this 1 July date. [redacted]
